FANTASTIC ECO PLUS

CITROCASA®
PERFORMING FRESHNESS

MANUAL

The ultimate in self-service and sustainability.

This machine combines high juice output with minimal effort. With its bountiful fruit basket and elegant manual drive, the Eco Plus offers the ultimate freshness experience.

- Self-service machine, manually operated by levering the wheel, non-electric
- Automatic feeding of oranges (17kg fruit capacity)
- Clean and silent juicing solution for any location – indoor or outdoor
- 2-Zones-Technology for highest hygiene and time efficiency
- Precision cutting SCS Up & Down ensures highest juice purity
- Userfriendly disassembly thanks to Cross Holder and Double Cover
- Manual Transport System (MTS): easy cleaning of the fruit sieve
- Made of food-grade stainless steel for improved hygiene and outstanding durability
